

Coronavirus (Covid-19) - hygiene measures As of 22.7.2021

For your health and well-being, we ask you to observe the following information:

For customers

- Mouth-Nose Protection
- Evidence that you have been vaccinated, recovered or tested
- Registration at check-in
- Hand disinfection at the turnstile and at the VR rides

For employees

- Mouth-Nose Protection suggested
- Evidence that you have been vaccinated, recovered or tested

Generally on site

- Plexiglass protection at the cash registers
- All VR glasses are disinfected as best as possible after each group
- All audio guides are always disinfected after use
